

YOU'RE INVITED

Greenheck's Warehouse Ventilation Mobile Learning Center is coming to Brucker!

Greenheck's mobile learning center showcases the latest in warehouse ventilation solutions through interactive and hands-on demonstrations. Experience the following **features** up close:

- High-volume, low-speed (HVLS) fans
- Fans
- Louvers
- Dampers
- Make-Up Air (MUA)

The learning center provides the following interactive, **hands-on demonstrations**:

- HVLS plug-and-play features.
- Supply/exhaust fan demo.
- Louver/damper demo (stationary, wind-driven, hurricane).
- MUA demo featuring forward curve vs. mixed flow plenum fan operation.

Please join us on one of the following days:

Tuesday, June 22nd (9AM – 4PM)

Wednesday, June 23rd (10AM-5PM)

TOPGOLF
3211 Odyssey Court
Naperville, IL 60563

Complimentary food and beverages will be served at both events.

If you are interested in playing TOPGOLF, please [RESERVE YOUR TIME SLOT HERE](#) by June 16th.

Contact your Brucker Salesperson for more information.

Your safety is our highest priority! Brucker is following CDC guidelines by requiring attendees to wear masks and practice 6-foot social distancing. Equipment will be disinfected, and hand sanitizer and face masks will be available if needed.
