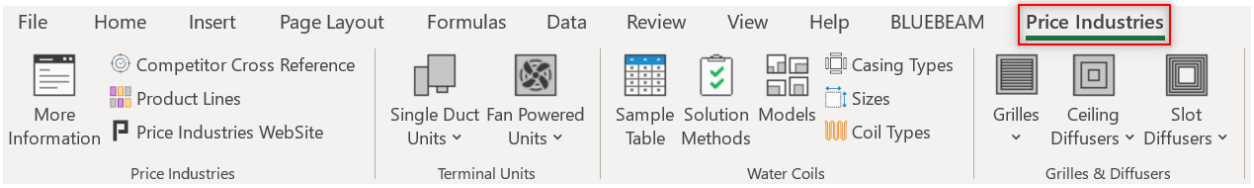
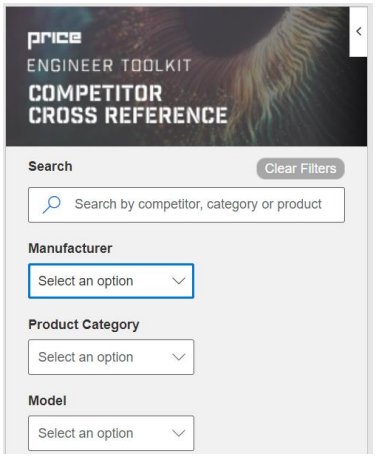
sales@bruckerco.com

Price Industries is offering **TWO** webinar sessions to learn more about their **ENGINEER TOOLKIT**, which is a Microsoft® Excel® Plugin that allows you to select products quickly and easily. This Plugin is currently available for Terminal Units, Water Coils and GRD products.



Not sure which Price product to select? Utilize the extensive *competitor cross reference* database to select your product based on manufacturer, product category, or model number.



CLICK HERE to download the TOOLKIT.

Learn more on how you can enhance Excel® based schedules with new functions that deliver auto sizing and accurate performance data.

Register for your webinar of choice by clicking the link below:

- **Tuesday, October 12 @ 11AM-12PM CST**
