

150 years of HVAC experience in the Midwest

Proudly representing **premium HVAC manufacturers** for engineers, contractors and building owners across Central Illinois.

Brucker provides engineered solutions through a comprehensive offering of high-quality air-movement, air-control, air-distribution and filtration equipment — backed by four divisions: Engineering Sales, Contractor Sales, Aftermarket Sales, and Field Service.

Core manufacturer partners / our most frequently specified lines

● PAGE 1 · CORE PARTNERS ● PAGE 2 · FULL DIRECTORY

Building Value in Air.

Fans & Ventilators
HVLS, Inline, Circulators, Blowers, Ceiling Exhaust, Laboratory Exhaust, Plenum, Fan Arrays, Roof Supply/Exhaust, Wall Supply/Exhaust

Applied Equipment
DOAS, Rooftop Units, Make-Up Air, Energy Recovery

Dampers & Louvers
Life Safety, Control, Backdraft, Stationary, Hurricane-Rated, Penthouse

Kitchen Ventilation
Hoods, Controls, Utility Distribution System, Pollution Control, Residential Range Hoods, Hood Filtration, Fire Suppression, MAU's, Grease Exhaust

Misc.
Airflow Measurement, Curbs, Motor Starters, Duct Heaters

GREENHECK.COM →

The Science of Comfort.

Air Distribution
Grilles, Registers, Diffusers, Security Products

Noise Control
Absorptive, Round, Rectangular, Custom Silencers, Acoustical Enclosures, Acoustical roof curbs

Critical Environments
Operating Room Suites, Air Purification

Terminal & Fan Coil
Single Duct, Fan-Powered, Horizontal/Vertical FCUs, Blower Coils

Sustainable Design
Active/Passive Chilled Beams, Trench Heaters, Displacement, Underfloor

PRICEINDUSTRIES.COM →

Deliver Comfort with Confidence.

VRF Systems
Heat Pump, Heat Recovery, Low Ambient Heating, BMS Integration

Light Commercial
Ductless / Ducted Heat Pumps

Multi-Zone
Multi-Zone Heat Pump Systems

Rooftop Systems
Cold-climate operation

HISENSECOMFORT.COM →

We Care About Air.

Semi-Custom AHUs
Bespoke modular air handling units with optional THERMAL BREAK construction for any application. Galvanized steel, painted galvanized steel, aluminum and stainless steel construction available

Energy Recovery
Wheel, plate & runaround coil systems

Retrofit Applications
Full knock-down or modular construction for tight retrofits; factory assembly supervision available

— STOCKED & READY TO SHIP

Warehouse Stock

Proudly stocked in our **20,000 sq.ft. warehouse** for immediate availability.

Roof, inline fans, exhaust fans, fire dampers, roof curbs

Grilles, registers, diffusers, terminal units

Ductless/ducted split systems

Single wall & double wall flue & chimney systems

01 Fans & Ventilation # LINES: 06

- Broan-NuTone**
Bath fans, residential ERV's, kitchen hoods, range vents, wall caps
- Fantech**
Inline & residential ventilation, dryer & jet-fan systems
- LF Systems**
Stairwell pressurization systems & dryer exhaust systems
- MacroAir**
Residential, commercial & industrial HVLS fans
- Plastec**
Chemical-resistant plastic fans & blowers
- Systemair**
Car park ventilation systems

05 Critical Environments & IAQ # LINES: 06

- AirMaid**
Grease & odor mitigation for kitchen and laundry exhaust
- Armstrong Mon.**
Hazardous gas monitoring & alarm systems
- Brasch Environmental Technologies**
Hazardous gas monitoring & alarm systems
- Fellowes**
Array networked air purifiers & monitoring
- Macurco**
Intelligent gas detection systems
- P&G Mfg.**
Bag-in-bag-out HEPA filter housings & custom engineered air filtration solutions

02 Specialty Air Distribution # LINES: 04

- Effectiv HVAC**
High performance architectural diffusers and air distribution products
- FabricAir**
Textile / fabric air dispersion systems
- KEES**
Architectural diffusers, returns, security grilles, hoods, air mixers
- Young Regulator**
Manual, remote & motorized dampers and zoning controls

06 Heating & Specialty Products # LINES: 07

- Airtècnics**
Architectural & industrial air curtains
- Brasch**
Duct heaters, explosion proof unit heaters, wall/floor/ceiling heaters, baseboard heaters & convector heaters
- Mars Air**
Air curtains & air doors for industrial openings
- Modine**
Unit heaters, infrared duct furnaces, indoor air handlers
- Precision Coils**
Standard & custom replacement coils
- QMark**
Comfort & commercial electric heat products
- Raychem**
Heat trace control and monitoring

03 Mission Critical # LINES: 04

- Geoclima**
Customizable, sustainable HVAC chiller solutions — high-efficiency magnetic bearing chillers, heat recovery & free cooling
- M&M Carnot**
Computer room air conditioners (CRAC), computer room air handlers (CRAH), chillers & in-row coolers using CO2 refrigerant
- Neptronic**
Electric heat, compact MAU with electric heat & precision controls
- SolutionAir**
Custom air handlers, custom packaged DX, Regencore alternating mass-exchanger energy recovery, custom direct fired heating, and make-up air units

07 Ductwork & Exhaust Systems # LINES: 06

- Hranec Corp.**
Spiral, oval, dual-wall duct fabrication, Tuff Duct outdoor ductwork & roof accessories/curbs
- Jeremias**
Flue & chimney exhaust systems, grease duct
- JTD Spiral**
Spiral, oval & dual-wall duct fabrication
- Metal-Fab**
Flue & chimney exhaust systems, grease duct
- Nederman**
Vehicle exhaust systems, dust & fume collection
- Spunstrand**
Underground fiberglass pipe & FRP duct

04 Dampers, Louvers & Controls # LINES: 05

- Belimo**
Control valves & damper actuators
- Fuji Electric**
Variable Frequency Drives (VFDs)
- Specified Controls**
HVAC control systems & specialty dampers
- United Enertech**
Dampers, louvers, life-safety products
- Vent Products**
Standard & custom replacement dampers and louvers
